## 8.05.26 Planning Applications

- a) There have been no new planning applications for comments received for Camerton Parish, however the council noted that an application at **Sulis Down (Ref: 26/01238/EOUT)**, has been issued and Camerton Parish Council discussed and AGREED to objecting to this application due to the impact on traffic along the Somer Valley / A367, and also due to overdevelopment of the South stoke Plateau. The council noted that there is generally a lack of overarching infrastructure planning concerning developments in the Somer Valley despite many potential additional dwellings (6,500-7,500) presently indicated in the Local plan that will negatively impact residents.
- b) There are five (Camerton parish) planning applications remaining open. It was noted that the planning backlog appears to be growing:
