

FIRE RISK WARNING

camertonparishcouncil.gov.uk

The current hot and dry conditions mean there is an increased risk of Fire at the Camerton Batch Local Nature reserve

We ask all visitors to help protect this special site by taking extra care during your visit.

PLEASE REMEMBER:

- 1. BBQs are not permitted anywhere on this site**
- 2. Ensure cigarettes and any smoking material are fully extinguished and disposed of safely**
- 3. Take your litter home with you**
- 4. Glass, cans, plastic and other rubbish can increase the risk of fire and harm the habitat and wildlife.**
- 5. If you see any signs of fire, smoke, or suspicious activity, leave the area immediately and contact the Fire & Rescue Services on 999.**

Help keep Camerton Batch Local Nature Reserve safe.

Thank you for doing your part to protect the habitat, wildlife and local community.

DIAL 999 if you see a WILDFIRE
